

Independent and Assisted Living in Woburn, MA

Monthly Update

April 2020

NEW RESIDENTS: **Lillian Capozzola, Suite 223**, is a lifelong Woburnite joining us from Glenbrook Estates on Bedford Road. After graduating from high school, she worked as a secretary, and ultimately climbed the corporate ladder to executive secretary to the vice president of General Telephone.

On her days off—and even during the lunch hour—she could be found on the golf course. This avid traveler has enjoyed spending time in the Caribbean Islands and Europe, with trips to Italy and France topping her list.

Eileen Lynch, Suite 490, is a New Jersey native who moved to MA to attend Northeastern University. After earning a degree in sociology and anthropology, she worked as a probation officer for Middlesex Superior Court. The self-proclaimed “late bloomer” married at age 50 and traveled extensively. (Among her particular favorites was a cruise around the Baltic.) A former Arlington Garden Club president, Eileen hails from Quail Run Condominiums in Woburn and especially enjoys knitting.

George Sacco, Suite 479, grew up in Lynn, MA. After serving in the U.S. Navy, he attended Northeastern University and made his career as an electrical engineer. This avid bingo player was married to wife Thelma for 50 years, and is the proud father of four children—and grandfather of nine. George is a skilled musician who plays the piano and mandolin. As a former high school hockey player, he also loves following the Bruins.

We extend a warm welcome to Lillian, Eileen, and George.

NEW STAFF: We are pleased to welcome new dining room staff member **Brooke Meaney**.

100TH BIRTHDAY: **Lillian Braudis** joined New Horizons' Centenarian Club on **March 28**.

Happy birthday, dear Lillian!

PASSOVER, or *Pesach*, commemorates the Israelite exodus from Egypt after their liberation from slavery more than 3,000 years ago. This year, it begins at sundown on **Wednesday, April 8**, and continues through sunset on **Thursday, April 16**. A special meal, called a *seder*, is held on the first and second nights, with participants recounting the story of the Exodus while eating symbolic foods and drinking wine. Happy Passover!

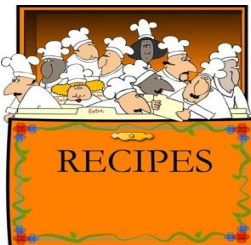

New Horizons wishes a very happy Easter to our residents, their families, and their friends!

NEW YORK, NEW YORK: February's "New York, New York" **Dress for Dinner** theme was a hit: Residents took an imaginary trip to Times Square amidst Broadway show memorabilia, a life-size yellow cab, and special lighting and props depicting the New York City skyline—all while enjoying live music featuring songs from popular Broadway musicals. Residents have gushed that this might well have been the best **Dress for Dinner** party in the event's 18-year history! We are delighted that you enjoyed the creative décor, festive company, hors d'oeuvres, and upscale cuisine.

DINING ROOM: The spring/summer home-cooked meal cycle begins **April 1**. The new menu features many seasonal favorites, such as lobster, as well as some new and exciting chef's choices.

INSURANCE: Residents who joined our community after April of 2010 are required to carry renters' insurance, as outlined in their Residence Agreements. Other residents may wish to purchase this insurance to protect against losses from fire, flood, sprinkler discharge, theft, or personal liability (in the event someone is injured inside a resident's apartment). Most insurance agencies sell renters' insurance, which is typically available at a modest price.

IN MEMORIAM: We are very saddened by the passing of resident **Ann McHugh**. Our thoughts are with her family and friends.

EARTH DAY: On **April 22**, the world celebrates **Earth Day**, which serves as a reminder that the planet and its resources provide us with life and sustenance, and raises awareness of our collective responsibility to achieve balance among the economic, social, and environmental needs of present and future generations. At New Horizons, we strive to be eco-friendly *every* day. Residents can help in this effort by closing exterior windows during hot and cold weather, turning off lights when going out, reporting running toilets, and recycling paper products. Thank you!
