Monthly Update

June 2018

NEW RESIDENTS: Ruth Benedikt, Suite 373, was born in Los Angeles, grew up on a dairy farm in New York, and raised three children in the Philadelphia area. A special education teacher for nearly 40 years, Ruth continued to volunteer for children in need after her retirement. She and her husband traveled extensively, with Antarctica being one of their favorite places.

Ginny Gimilaro, Suite 444, grew up in Cambridge and raised her family in East Boston. When her four children were grown, Ginny spent 20 years working for MIT's Alumni Association. She enjoys traveling (Italy is one her favorite destinations) and spending time with family and friends. Ginny joins her friend, resident **Gloria Cushing**, here at New Horizons.

We extend a warm welcome to Ruth and Ginny.

MEMORIAL DAY REMEMBRANCE: Thank you to all residents and family members who joined us for our annual **Resident Memorial Service** on May 17. Nearly 100 people came together to remember and celebrate the lives of former residents who profoundly touched our community. **Reverend Peter Brown** (*back row, standing*) of First Baptist Church of Wakefield, accompanied by interfaith hospice choir *Sounds of Grace*, led this poignant service to recognize and honor the strong bonds we all share as members of the extended New Horizons family.

Congratulations to our 2018 graduates!

The New Horizons community is very fortunate to have such responsible, bright, and talented students on our staff. We wish them the very best in their future endeavors and thank them for their dedication to New Horizons residents!

A father is neither an anchor to hold us back, nor a sail to take us there, but a guiding light whose love shows us the way.
Happy Father's Day!

OUT AND ABOUT: Residents **Ann Awiszus, Maureen Copithorne, Lois Lineal, Linda Reck, Jim and Janet Sethares, and Carolyn Sullivan** visited the Edward M. Kennedy Institute for the U.S. Senate. The trip was led by NHC employee and Institute volunteer **Phil Ferraguto**.
