Monthly Update

June 2021

NEW RESIDENTS: Ed Downing, Suite 285, served in the U.S. Army during the Korean War. Born and raised in Arlington, he attended Bentley School of Finance prior to earning an accounting degree from Northeastern University. He was admitted to the Massachusetts Bar Association after graduating from Suffolk Law School, and spent the majority of his career as associate auditor and director at John Hancock. The father of three children, Ed enjoys reading as well as music, movies, and sports.

Pauline Foley, Suite 274, was born at Choate Hospital and remained in Woburn through high school. After studying education at Lowell State (now UMass Lowell), she earned a master's degree in home economics from Framingham State. She lived in Winchester for many years and volunteered extensively at Jenks Center, Winchester Public Library, and En Ka Society. A wonderful aunt to many nieces and nephews, Pauline enjoys sewing, doing crafts, reading, and walking.

Len Karoll, Suite 440, is originally from the Bronx. After serving in the U.S. Army during WWII, Len returned to New York, where he studied chemistry at City College. He later earned a Master of Science in Animal Husbandry from University of Missouri. Len joined our community to be closer to his daughter, who lives in Lexington. He enjoys playing bridge, searching the internet for lessons on chemistry, and learning to speak Yiddish.

Joe McGaffigan has joined the newly built Courtyard Suites, in **Suite 276**. After graduating from Newman Prep in Boston, he enjoyed a long career as a liquor wholesaler. He and his wife of 55 years raised their six children in West Roxbury, and delighted in cruise ship vacations and trips to France, Germany, Russia, and Ireland. A sports enthusiast, Joe particularly enjoys hockey, football, and baseball.

Ethel Murphy, Suite 380, was born in Newfoundland and moved to Boston at age five, where she remained until marriage. She met her husband as a child on the schoolyard. Once grown and married, the pair moved to Woburn, where they raised five children of their own. Ethel is the proud grandmother to nine and great-grandmother to 19. A former switchboard operator, she now enjoys listening to books on tape and playing Cribbage and Rummikub.

George Sacco, Suite 448, is a former New Horizons resident who has "come back home." Born and raised in Lynn, he has a degree in electrical engineering and served in the U.S. Navy. Father to three daughters and one son, George is a man of many talents. In addition to playing hockey and baseball, he has built lawn furniture, picnic tables, and garden swings.

We extend a warm welcome to Ed, Pauline, Len, Joe, Ethel, and George.
