With Gratitude...

As we reflect on the challenges and triumphs of the past three years, we feel immense gratitude for the support and encouragement we received from residents, family members, visitors, and staff. New Horizons sincerely thanks you all for your commitment, perseverance, and understanding during the public health crisis.

May we all enter this next chapter with the cautious optimism and indomitable community spirit that have carried us through this unexpected journey.

Upcoming Holidays

FLAG DAY, Tuesday, June 14,

commemorates the date in 1777 when the United States approved the design for its first national flag. The Flag Resolution stated that the "flag of the thirteen United States be thirteen stripes, alternate red and white; that the union be thirteen stars, white in a blue field, representing a new constellation."

Father's Day: Sunday, June 18

My mother gave me my drive,
but my father gave me my dreams.
Thanks to him, I could see a future.
