

Independent and Assisted Living in Woburn, MA

Monthly Update

July 2017

NEW RESIDENT: Charlotte O’Neil, Suite 350, was born and raised in Everett and has made her home in Woburn for more than 60 years. In addition to raising her four daughters, she was a cafeteria worker at both Joyce Middle School and Hurd School in Woburn. Charlotte enjoys exercise and participates in a low-vision group; she is also an active member at St. Barbara’s Church and Woburn Senior Center. She has traveled extensively, and as the daughter of Irish immigrants, she especially enjoys trips to Ireland.

*We extend a warm welcome to **Charlotte** and wish her much happiness in her new home.*

CUMMINGS FOUNDATION: Through its **\$100K for 100** program, the Foundation recently awarded grants of \$100,000 each to 100 local nonprofits, including the following Woburn organizations: Boy Scouts Spirit of Adventure Council, Friends of Woburn Veterans, Social Capital, Inc., St. Vincent de Paul Society of Woburn, Wellness Campaign, and Woburn Historical Society. The Foundation has now awarded more than \$170 million to Greater Boston nonprofits. Representatives from all 100 grant-winning charities (full list available on CummingsFoundation.org) recently gathered at TradeCenter 128 to celebrate their awards and hear from Cummings Foundation founders Joyce and Bill Cummings. The terrific team of Choate servers (who had some fun at the “selfie station”) made the Grantee Celebration extra special with their delicious hors d’oeuvres and desserts and their service with a smile!

SAVE THE DATE: New Horizons will celebrate **27 years** as a community on **Thursday, August 17**, from **5:30 to 7:30 PM**. Your personal invitation will arrive soon. Each resident may invite up to two guests.

VACATION REMINDER: Summer finds many residents traveling for extended family visits. If you plan to be away, please remember to suspend mail and newspaper deliveries. In addition, please leave emergency contact information with the front desk, and inform the front desk attendant when you depart and return.

CELEBRATING NEW CITIZENSHIP
