

Independent and Assisted Living in Woburn, MA

Monthly Update

July 2019

NEW RESIDENT: Ingrid Blackburn, Suite 221, joins us from South Carolina, her home for the past 27 years. Born in Amherst, NH, and raised in Arlington, MA, Ingrid moved to Woburn upon marriage and raised her two children here. This former customer service representative in the insurance industry has spent countless hours volunteering at her local medical clinic, library, and food pantry. Over the years, Ingrid has enjoyed travel, with England and Wales being her favorite destinations. In the small world category, Ingrid's husband was born right here at the former Choate Hospital.

NEW STAFF: Beverly Conroy joined our front desk team.

We extend a warm welcome to Ingrid and Beverly.

ANNIVERSARY

SAVE THE DATE:

New Horizons will celebrate **29 years** as a community at a special reception on **Thursday, August 15, from 5:30 to 7:30 PM.** Your personal invitation will arrive soon, and each

HAPPY BIRTHDAY AMERICA!

Residents at New Horizons will celebrate the 4th of July with holiday entertainment on **Thursday, July 4, at 2 PM,** in Rumford Dining Room. Favorite musician Tony Malonek is sure to make this a fun event!

CUMMINGS FOUNDATION recently concluded a \$25 million grant cycle with the awarding of \$100,000 each to 100 local nonprofits through its **\$100K for 100** program. Among this year's grant winners was our very own Woburn Fire Department. The Foundation has awarded more than \$260 million to date, and will award at least \$20 million more in 2020. Representatives from the grant-winning charities (the full list is available on CummingsFoundation.org) gathered at TradeCenter 128 to celebrate their awards and hear from **Governor Charlie Baker** and Cummings Foundation co-founders **Joyce** and **Bill Cummings**. The terrific team of Choate servers made the Grant Winner Celebration extra special with their delicious hors d'oeuvres and desserts and their service with a smile!
