Community Giving

Across greater Boston, 150 organizations recently opened packages to find a message proclaiming “You got it!” Through multi-year grant awards of \$30,000 to \$1 million each, the **Cummings \$30 Million Grant Program** seeks to support community nonprofits working to improve local lives. This year’s grant recipients represent a wide variety of causes, including housing and food insecurity, workforce development, immigrant services, social justice, education, and mental health services.
