

Independent and Assisted Living in Woburn, MA

Monthly Update

August 2017

NEW STAFF: Madelyn Messina and Susan Connors joined our dining room crew.

We extend a warm welcome to Madelyn and Susan.

ANNIVERSARY PARTY: New Horizons will celebrate 27 years of operation on **Thursday, August 17, from 5:30 PM to 7:30 PM.** All residents received personal invitation and may invite up to two guests. Please reply to the Front Desk by Sunday, August 13. We look forward to seeing you at the party!

To celebrate the arrival of summer, New Horizons hosted its annual resident cookout. We look forward to a Resident Cocktail Party on the patio on **Wednesday, July 26.** Let's hope for a warm, sunshiny day!

LAZY DAYS OF SUMMER:

(clockwise, starting with top picture - left to right): **Muriel Penna, Janet Mercer, and Helene Donahue; Ann Awiszus, Sam D'Agostino, and Eleanor Boormeester; Bob Bolduc, Maria Alves, Mary Weismann, Trish Dahill, Marie Giaimo, Margaret Franklin, Roseann Concannon, and Helen King.**

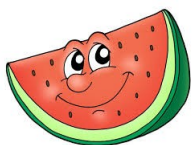

ANNIVERSARY MILESTONES: New Horizons is delighted to recognize residents **Helene Donahue** and **Janet Mercer** as they celebrate 10 years as members of our community. In addition, three staff members, **Lucille Collins, Aurora Colon-Rivera, and Teresa Gouveia**, reached their 10-year milestones. Each will receive New Horizons' traditional rosewood and brass engraved carriage clocks at our anniversary party on August 17.

Also celebrating significant milestones, **Edith Coiro** and **Victor Rosa** have both reached their 20-year anniversaries working at New Horizons, and **Eileen Lloyd** and **Elizabeth Vago** have been working at New Horizons for 25 years.

Congratulations to all residents and staff celebrating anniversaries this year!

FUN FACT: Watermelon is summer's most popular vegetable. It is part of the cucumber, pumpkin, and squash family. Wild watermelons originated in Africa. The first cookbook published in the U.S., in 1776, contained a recipe for watermelon rind pickles.

The average American eats 15 pounds of watermelon a year, and these juicy favorites are 92 percent water.

IN MEMORIAM: We are very saddened by the passing of residents **Dot Metrano** and **Connie Pearl**. Our thoughts are with their families and friends.
