

Independent and Assisted Living in Woburn, MA

NEW RESIDENTS

Mary and Tony Celli, Suite 447, join us from their home of 22 years on Cape Cod, prior to which they lived in Medford and Winchester. Tony graduated from Northeastern University and made his career as a civil engineer, and Mary was a stay-at-home mom to their three children. The pair now has five grandchildren, and they report that they are enjoying retirement living.

Sandy Wolfe, Suite 439, joins New Horizons from her home on Mishawum Road, here in Woburn. Following her graduation from Salem High School, she completed a two-year secretarial school program and later worked at North Shore Children's Hospital, Holyoke Insurance Company, and the Post Exchange. Sandy has two sons and enjoys reading, playing word games, dancing, and gardening.

We extend a warm welcome to Mary, Tony, and Sandy!

Reminder: Keep Us in the Loop

With the holiday season quickly approaching, we ask that residents and families keep us updated on their whereabouts. Any absence from the building, be it for a week-long getaway or an overnight trip, should be communicated to the front desk or a director. Also, if a resident's primary contact is going to be away, we would

like to make note so we can reach out to an alternate contact if needed.
