## New Residents

**Paul Barrett, Suite 237**, served in the United States Air Force. Upon discharge, he completed vocational training in refrigeration and air conditioning on the GI Bill. He met his wife at the former Moseley's on the Charles, and the pair settled in Roslindale to raise their five children. Being an adventurous sort, Paul relished whitewater rafting and skiing. He maintained his skills in both downhill and cross-country skiing well into his 80s. These days, he most enjoys spending time with his large family, which includes seven grandchildren and two great-grandchildren.

**Mike Sheridan, Suite 473**, was born in the Bronx, raised in Pearl River, NY, and joins us now from his home in Alexandria, NH. He graduated from Farleigh Dickinson University, in NJ, with a bachelor's in international relations. An entrepreneur at heart, Mike worked for several major brands, including American Express, Marriott, and Keebler, before starting his own food distribution company. He has three children, and has enjoyed extensive travel throughout the nation as well to Iceland, Spain, France, and the Caribbean.

**Agnes Webber, Suite 378**, was born, raised, and educated in Malden. Once married, she and her husband moved from Jamaica Plain to Dorchester before ultimately settling in Medford to raise their four children. Agnes worked both inside and outside the house, first in the Accounting Department at the former New York, New Haven and Hartford Railroad and later as a private secretary at Bunker Hill Community College. She has vacationed abroad in Russia, China, and Ireland. As a retiree, she most enjoys being curled up with a good book, particularly one that is nonfiction.

We extend a warm welcome to Paul, Mike, and Agnes.

### *Reminder: Keep Us in the Loop*

With the holiday season quickly approaching, we ask that residents and families keep us updated on their whereabouts. Any absence from the building, be it for a week-long getaway or an overnight trip, should be communicated to the front desk or a director. If a resident's primary contact is going to be away, we would like to make note so we can reach out to an alternate contact if needed.
