## New Residents

It was a nice reunion for **Betty Hardy, Suite 446** when she happily discovered an acquaintance from long ago, **Lois Bellini**, is also a resident here. Born and raised in Arlington, Betty attended Matignon High School in Cambridge. Upon graduation, Betty began working for a local insurance company and worked her way up to office manager. The mother of nine children, a proud grandmother and great grandmother, Betty has fond memories of family trips to Lake Winnepesaukee in New Hampshire. In her spare time, Betty is an avid sports enthusiast following all the local teams, and enjoys reading mystery novels.

**Louise Sorabella, Suite 341** grew up in Somerville and now joins us from Stoneham where she raised her five children. Following her education at Salem State, she became a teacher and later a guidance counselor. During her career, she taught at Burdett College, Fisher College, Stoneham High School and Shawsheen Technical School. Louise has travelled to many destinations such as Ireland, England, France and several cruises. Her most memorable trip was a vacation in Italy where 23 family members travelled together from Venice to the scenic Amalfi Coast. Among her many interests, Louise especially enjoys reading historic novels and watching football games.

## Reminder: Keep Us in the Loop

With the holiday season quickly approaching, we ask that residents and families keep us updated on their whereabouts. Any absence from the building, be it for a week-long getaway or an overnight trip, should be communicated to the front desk or a director. If a resident's primary contact is going to be away, we would like to make note so we can reach out to an alternate contact if needed.

## Resident Photo Album

On a beautiful weather day, residents enjoyed another summer cocktail party on the patio topped with live music. Pictured, in his performer's attire, is **Rick Ruggiero** taking requests and performing many fan-favorite tunes. Also pictured are **Jeanne Dougherty**, **Ray Pothier**, **Barbara Gumuchian** and **Jane Robinson**.

## Employee Spotlight

New Horizons is so pleased that of the 95 staff members, 31 have been here ten years or more. Pictured is **Eileen Lloyd** who holds the record with 33 years of contributions. Eileen has been the face and voice of New Horizons for all these years, and greets residents and visitors with a smile, a kind word, and a helping hand. Thanks Eileen for all your good work.
