

## NEW RESIDENTS

**Barbara Canavan, Suite 344**, is the mother of three children, six grandchildren, and seven great-grandchildren. She has mostly lived in Winchester, except for a few retirement years in Florida. Her career as an accountant led her to be employed by major companies, including Raytheon, Mitre, and Fidelity. Barbara has traveled all over Europe and parts of the U. S, and now enjoys spending her time with family and reading mystery novels and non-fiction by presidential historians.

Born and bred in Woburn, **Ron Simonds, Suite 321**, was one of eight children. He attended St. Charles Grammar School and graduated from Woburn High, later obtaining an associate's degree from Northeastern University. Ron's career with the former New England Telephone began as a lineman, followed by an assigner, and ultimately he worked as an engineer. In 1968, Ron met his partner Raoul. During their 56 years together, they lived happily and traveled widely until Raoul's recent passing. Of the 55 countries they explored, India, China, and Turkey were their most memorable destinations.

**Elvia Pineda, Suite 248**, joins us from her home in New Jersey. Born and raised in Honduras, she immigrated to America as a young adult. Elvia worked as a seamstress in New York City, mostly doing alterations. A mother of two children, Elvia enjoys the company of her son Ed, his wife Joan, and her two grandsons who live in nearby Winchester. Elvia has many interests and likes to keep busy, and she especially enjoys listening to music.

We extend a warm welcome to Barbara, Elvia, and Ron.

### *\*A note about Thanksgiving dinner*

Our chefs are planning a delicious Thanksgiving dinner menu with turkey and all the trimmings. To allow food service staff the opportunity to spend a portion of the holiday with their families, the day's evening supper will consist of Gourmet-to-Go parcels containing some extra-special goodies! Families, please let us know if a resident will be out of house joining you for this holiday meal so we may plan attendance accordingly. Residents staying home may invite up to two guests.

## Resident Photo Album

At a recent musical event, we captured resident **Betty Hardy** having a good time with her family. Pictured above are **baby Rose**, **niece Chris**, **Betty**, and **niece Cheryl**.

Residents were impressed with local teen **Adam Canha** (pictured above, left), who performed a program of classical music on our Steinway piano. A self-taught pianist, Adam holds a part-time job as a tour guide for the Lexington Historical Society.
